## LED Conversions

Sternberg's LED Conversion Kits replace legacy light sources in existing Sternberg Lighting luminaires. Our LED kits significantly reduce recurring maintenance and operating costs, while extending the life of your current luminaire. Installation is easy and guaranteed proper fit and function without complicated field modifications.

## Dark Sky Compliant

Sternberg NightSky™ Friendly luminaires come in a wide variety of downlights, post-tops, bollards, wall sconces, and columns that all emit zero uplight achieving U0 ratings to meet both your local lighting ordinances and design criteria.

## Catenary Mounts

Catenary pendants are mounted on suspended cables. Our catenary selections are part of expanded post top and downlighting families that are available.

## Smart City Solutions
