

 Sternberg Villa

Express Your Vision... Reflect Your Style

With the new Villa family from Sternberg Lighting, the power to create is in your hands. This classic urban design form can be tailored to the specifics of your vision, to complement your space and architectural characteristics like no other luminaire. Choose from a variety of elements to create a fixture that is uniquely yours. Perfectly suited for a wide variety of area and street lighting, Villa is available in multiple sizes and mounting configurations, each of which can be designed using a variety of internal and external components. For a bolder statement, choose an optional custom highlight finish to accentuate your design with a personalized signature that only you can bring to your project.*
